[Verse]

```

C                      D
So, so you think you can tell
           Am
Heaven from Hell
           G
Blue skies from pain
           D
Can you tell a green field
           C
From a cold steel rail
           Am
A smile from a veil
           G
Do you think you can tell
           C
Did they get you to trade
           D
Your heroes for ghosts
           Am
Hot ashes for trees
           G
Hot air for a cool breeze
           D
Cold comfort for change
           C
Did you exchange?
           Am
A walk on part in the war
           G
For a lead role in a cage

C                                D
How I wish, how I wish you were here
           Am                                G
We're just two lost souls swimming in a fish bowl
                        D
Year after year.
                                C
Running over the same old ground.
                                Am
What have we found the same old fears
                                G
Wish you were here...
